Format for Club National Championships

Qualifying

The top 24 men's teams and top 16 women's teams from club bowling programs, based on the final collegebowling.bowl.com Power Ranking, will be invited to the Collegiate Club National Championships. A "club bowling program" eligible to participate in this event must be: *1) non-affiliated with the NCAA, NAIA, or NJCAA, and 2) have no athletes who receive financial incentives (a scholarship, grant or discount) that was used to recruit or entice them to attend an institution to participate in the bowling program.* If an invited team declines the invitation to participate, the next team down in the rankings will be given the invitation.

The tournament will be all Baker games. The teams will be seeded into one of the pools based off the final power rankings.

Pool A	Pool B	Pool C	Pool D
Team 1	Team 2	Team 3	Team 4
Team 8	Team 7	Team 6	Team 5
Team 9	Team 10	Team 11	Team 12
Team 16	Team 15	Team 14	Team 13
Team 17 (Men)	Team 18 (Men)	Team 19 (Men)	Team 20 (Men)
Team 24 (Men)	Team 23 (Men)	Team 22 (Men)	Team 21 (Men)

MEN'S FIELD

Each team will bowl a 4 game Baker match against the other teams in their pool, (along with a position round) with total pins deciding the winner of the match. The top two teams from each pool, based on a win-loss record, will get a first-round bye in the double elimination bracket. In case of a tie in pool play, the team with the highest total pin fall will be the higher seed. If a tie still exists with total pin fall, the team that won the head-to-head match will be the higher seed.

WOMEN'S FIELD

Each team will bowl two 4 game Baker matches against each team in their pool, with total pins deciding the winner of the match. No bye's will be awarded. In case of a tie in pool play, the team with the highest total pin fall will be the higher seed. If a tie still exists with total pin fall, the team that had the higher four game baker set total will be the higher seed.

Bracket Play

In the winner's bracket of the double elimination bracket, matches will be a best 3 out of 5. For the contender's bracket of the double elimination bracket, matches will be a best 2 out of 3. The seeding for the Bracket will be set before the competition starts. Bracket set up will be determined based on the number of teams participating.
